MCV Is an Academic Challenge . . .
And the Accumulation of New Knowledge
MCV Is a Vast Medical Complex Comprised of Many Parts . . .
A Campus Is Not Merely a Conglomeration of Buildings and Textbooks
It Is the People Who Give MCV Its Life And Personality
The Richmond Coliseum — Home of All Star Wrestling

City Hall — Home of Henry Marsh
"As you slide
   Down the bannister of life
   May all the splinters
   Be pointed in the
   Right direction."
   —Steve Williams—
Last minute details for homecoming weekend may have included finding the perfect dress, making dinner reservations, getting fitted for a suit, going to a bonfire, begging for an extended curfew, and asking for the car, but the effort was well worth it! 1979 was the year of undoubtedly the best homecoming in MCV's history.

With tears of joy flowing, Karen Krotchine is crowned MCV's homecoming queen. Karen later said, "I was SO excited I wet my pants."
Karen receives victory ride in limousine generously donated by Royal Chrysler Plymouth.

With a look of determination, Allan T. Hoge races for extra yardage to defeat MCV's Panthers. Charlie Bunrhah captain for the Panthers later exclaimed, "we played kinda bad, I guess."
Thought for the day:

Before you discover your handsome prince...

...you have to kiss quite a few toads!

Nobody turned in any M.T. Pictures, so don't be surprised at what does appear.

Doris.
Eczema, psoriasis, tinea cruris, such is the life of a dermatologist. Rumor has it that dermatologists can always be distinguished from the rest of the medical doctors . . . they are the ones that wash their hands before they go to the bathroom.
Something nice you can always remember about your education at MCV.

An admirable opportunity is now offered to Pharmacological Students and Drugstore Clerks to acquire an accurate knowledge of Materia Medica and Therapeutics, and of Chemistry and Pharmacy, by attending the Lectures, delivered in the Medical College of Virginia, beginning October, and closing in June; when, after passing a satisfactory examination, the applicant will receive a DIPLOMA, which will hold good in every State in the Union.

By reference to the Schedule of Lectures, it will be seen that the lectures on these subjects are consecutive, saving much time and trouble.

Fee for the Course, $50; Graduation Fee, $15.
